

CLUBLine Bulletin: Tattersall's

Dear Customer,

I am writing to inform you of changes that will be happening due to the recent purchase of our parent company, Golden Casket Lottery Corporation, by Tattersalls.

As a condition of the sale, the ACCC have mandated that Bounty Limited must be sold off as part of this transaction.

I would like to take this opportunity now to re-affirm our commitment to all our clients of continued support & service delivery. Soon, Bounty Limited will have a new owner, but during this time of flux you can be assured that our ongoing commitments to you, our customers, will remain unchanged.

All support contracts will remain in place, all the friendly support staff you have come to know will still be available on the same phone numbers, and our development team will be here to maintain and enhance the Bounty Limited product lines well into the future.

If you have any questions, or need any further information, please contact us directly on 1800 814 919.

Sincerely,

Regards,
Jeff Mahar
CEO
Bounty Limited
(a subsidiary of Golden Casket Lottery Corporation Limited)
